Hockey is my favourite sport. He wanted to become a radio jockey. The key to success is perseverance. I am a happy being. Our thoughts are very progressive. The monkey mind makes us restless. No pain, no gain. Belief system rewiring can be done through grapho therapy. Therapy is good. Writing down my thoughts makes me feel better. I don't like crowded places. English is not my native language. I am my best friend. A friendly gesture is what it takes to turn a bad day to good. They were very well spoken but lacked empathy. Empowering people is better than doing charity. The answer is you. Ask and you will receive it. I am a powerful manifestor. My best version is not a far cry. Forrest Gump is one of the best movies I came across. Good things can,will and should happen to good people.
